

675 Chair

Robin Day

675 Chair

Robin Day

A design that has truly stood the test of time, the 675 chair is one of the most recognised of the Twentieth Century.

Originally created in 1952, the chair's most prominent feature is its curved walnut-veneered plywood back. Pioneering at the time, Robin Day overcame the difficulty of forming a single moulded plywood chair with armrests, by creating a fluid shape using a singular curve.

In close collaboration with the Robin and Lucienne Day Foundation, Case revisited the original design and faithfully reinstated, in the 2014 chair, the element and detail of the 1952 original.

Suited to both dining and home office environments.

Made in Thailand.

Key Features

- Iconic design from 1952
- Suitable for contract use

Technical / Construction

- Veneered ply back
- Steel tube frame
- Injection moulded seat pad
- Upholstered in a piped leather
- Clear polyurethane lacquer
- Fully assembled

Dimensions

H794 W640 D530 | Seat H470
H31.2" W25.2" D20.8" | Seat H18.5"
