The Mirador is seating that's made to stand out, with an oversized, tubular backrest and curvy steel frame that evoke Postmodern design in all the right ways. The seat is roomy enough to curl up in, with an expertly-crafted webbed suspension for maximum comfort. Mirador is available in a selection of durable, eye-catching fabrics. Place it in a favorite reading corner or float it in the center of the room — the Mirador looks stunning from all angles.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Mirador Chair

- Seat and back cushions are crafted with Dacron-wrapped, high-resiliency medium polyurethane foam.
- Inner frame is kiln-dried FSC®-Certified hardwood in support of responsible forest management (FSC® 092551). By purchasing this product you help take care of the world's forests. Find more information at www.fsc.org
- Webbed suspension system for comfort.
- Bench-made, powder-coated solid steel curved frame provides architectural detail and visual interest.
- Felt pads on all legs to protect hardwood floors.
- ANSI-BIFMA Compliant.
- All fabric is California TB117-2013 certified and double rub tested.
- Manufactured to meet California TB117-2013 fire safety standards without the use of flame retardant additives in the upholstery foam.
