Echoing the Bauhaus movement, this slender table lamp couples minimalist modern design with easy functionality. Clean lines juxtapose statement-making details like a vintage-inspired, red-braided electrical cord and natural marble base. Whether it's used as a desk light or bedside table companion, a dimmer switch lets you find just right level of brightness to focus efficiently on the task at hand.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.
