designer

Nigel Coates

description

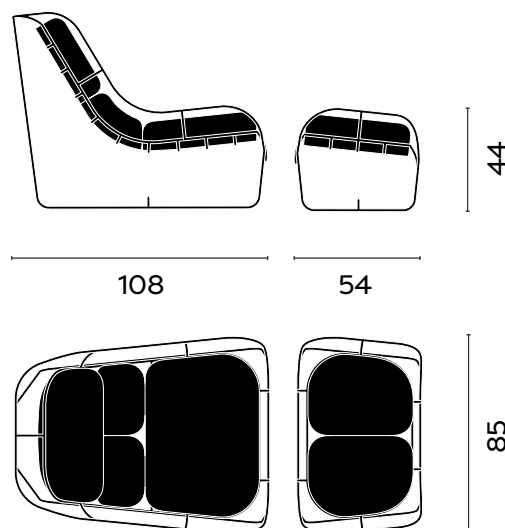

In the context of Nigel Coates' growing interest in furniture, the Plasma armchair with a footrest reflects the English designer's taste for designing essential forms by digital means. Composed of a set of cushions in different combinations of colors and finishes, placed on a slender metal structure with harmonious curves, Plasma combines the simplicity of a continuous graphic sign with the complex technology of the structure, made with computerized methods of bending and welding.

typology

Armchair and footrest

dimension and weight

Armchair	85[l] x 108[w] x 84[h] cm	22 kg
Footrest	85[l] x 54[w] x 44[h] cm	11 kg
