LOROSAE TABLE

Álvaro Siza

Inspired by a trip by Álvaro Siza to East Timor, area of a Portuguese colony in East Asia known as Timor Loro Sae, Lorosae denotes the place where the sun rises. Through the translucent glass in different pure and brilliant finishes, Lorosae battery lamp is a rechargeable, battery-powered design that spreads a diffused light and expresses a direct connection to the country, its culture and geographical location.

BATTERY LED

LAMPING

Source	LED board
