LOROSAE

Álvaro Siza

For his solo exhibition at the Basilica Palladiana in Vicenza, Álvaro Siza designed Lorosae. A timeless design from 1999, featuring translucent glass in different pure and brilliant finishes, while the white inner part of the diffuser preserves the natural colour of the light.

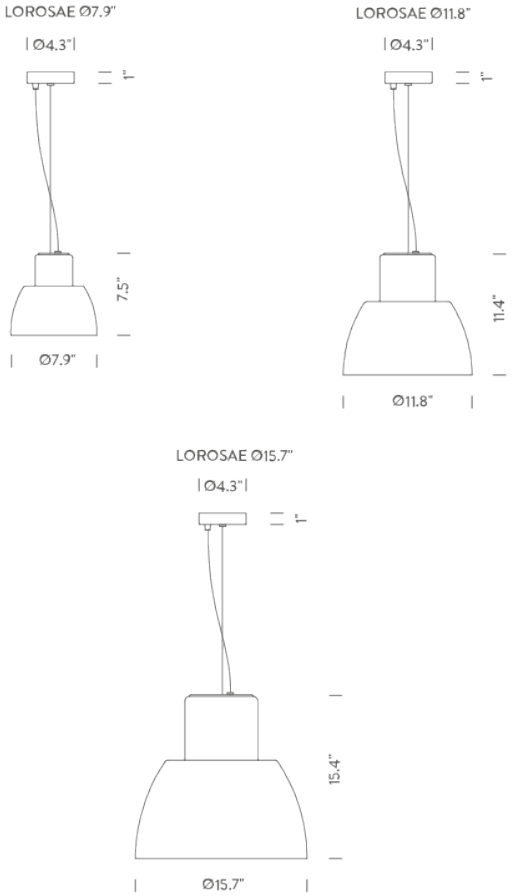

LAMPING

Source	E26 LED/HALO/FLUO
Total power	100W
Emission	diffused/direct
Switching	dimmable according to bulb
Tension	120V
Dimensions	Ø7.9"x19"
Notes	IP20 (indoor, dry location), cable length 98.42"

Codes	*Structure*
LOR EWW 51	jasmine white
LOR EWB 51	ocean blue
LOR EWG 51	sorrento yellow
LOR EWA 51	sicilian orange
LOR EWV 51	rosemary green
