## Description

The Bok adjustable desk was designed with the importance of health and good posture in mind. The motorised system in its legs allows the tabletop to be elevated to the height of your liking. That way, you can easily switch between sitting and standing throughout the workday. Choose between white or black metal legs, and a table top in oak or black tinted oak.

Includes a motorised system to adjust the desk height, from 64 to 130cm (25"- 51") high. For US power outlets. Features integrated cable management possibility in desktop. Power Circles and Metal cable trays to be ordered separately.

## Designer Alain Van Havre

For Alain van Havre, inspiration is everything. Deeply connected to his environment and passionate about natural materials, he has developed an exceptional expertise for woodworking. Over the years, he has created his own visual language centred around form, a translation best described in collections such as the Bok, Graphic, Pl, and Stairs. He believes that for someone to connect with a design, it is important to bring it closer to nature. Over the past 20 years Alain has played a pivotal role in influencing the Ethnicraft designs we know and love today.
